

# *Preschool one Febuary Newsletter 2012*

Welcome to the month of Febuary. This month our themes contain: Pet Week, Valentines, Healthy Foods and Dinos.

On Febuary 14th we will be having a little Valentines Day party in Preschool 1. The children will pass out their Valentines and have some goodies for snack. For parents who would care to send in a little something for snack, a sign-up sheet will be posted just outside the classroom.

I would like to remind everyone to please bring in at least three snacks, as well as three drinks daily. As we continue to potty training I would like to reccomend velcro pull-ups or underwear. This makes it easier for the children and teachers.

Thank you!!!

Mr. Jim
