

Infant Room News

February 2012

So here we are 31 days into the new year and where is winter? I hope everyone is healthy, enjoying the mild weather and working on some of their new year resolutions.

The month of February is looking to be a busy one.

Riley becomes a toddler, William will celebrate his first birthday, Chole and Lucie two new friends will be joining the classroom and we also have welcomed Yoto to the group.

Our themes will include, Valentines, I Know---, Children's Choice, and Dinos. While the infants explore their new world and some help from William, the decorations will reflect the themes.

Reminders: Your child's file is located on the top of the bookcase just outside of the room. It may contain very important papers and information so please check daily.

Monday Feb. 20 Kalia Schools will be closed in observance of Presidents day.

Please feel free to come to me with any questions or concerns you may have.

A BIG HAPPY BIRTHDAY TO
WILLIAM

Keep Warm Winter is sure to
get here!!!!!!!

Ms Debra
