

Welcome to our Studio!

Hello and Thank You for joining us in our 32nd year! Please read the following information carefully, and then complete and sign the registration form. Thank you!

About the Studio...

Kalia Karr began as a dream back in 1987. When Kolleen's husband asked her what she really wanted to do with her life-the reply was- "I want to open a dance studio and pass on my love of dance". As the saying goes... "If you can believe it, you can achieve it!" We opened our doors in September of 1987 in a small rented space on Main St. in Lakeville, and the rest is history! Our current building was constructed in 1999. Our facility offers the area's best and largest studio spaces with sprung dance floors. Both studios are air conditioned, have plenty of natural light, and are well equipped to teach all levels of dance. For your convenience, we offer a comfortable sitting area where you can observe classes through our two-way window and where dancers can relax between classes.

Teaching students ages three and older the dance disciplines of Jazz, Tap, Ballet, Pointe, Lyric, Contemporary, Musical Theatre, Acro, and Hip Hop.

At Kalia Karr, students receive a complete dance education and have an exciting, positive dance experience. Our teachers and choreographers are all highly trained, professional, and experienced!
